**RESPONSE TO ADD A STRUCTURE TO  
NATION BRIDGE INVENTORY (NBI)**

This correspondence is in response to your request to add an existing structure to the Nation Bridge Inventory (NBI). The tables below lists the disposition for the structures you have requested to be added to the NBI. If the structure has met the criteria for NBI a bridge name and number has been assigned as shown, a bridge inspection will be performed, and a bridge inspection report will be generated. Should you have any questions regarding your request please contact the reviewer as shown at the bottom of this page.
