It is specifically understood that any of the foregoing remedies may be employed at the option of Grantor, and the failure of any of such remedies to be employed upon any one or more of any occurrence giving rise to such remedies shall not be a waiver of the right to employ such remedies upon the continuance of such occurrences or any subsequent such occurrence.

In the event a right-of-way is acquired by the public for road purposes from the present extension of Del Mar Avenue from east of Irvine Avenue to Banker Boulevard and said right-of-way is not contiguous with the boundaries of the parcels conveyed hereunder, Grantor agrees to expand the boundaries of the parcels conveyed hereunder to provide that the present boundaries approximately paralleling such roadway will be adjusted so as to be contiguous to said right-of-way.

The above covenant is intended to be a covenant running with the land for the benefit of the land conveyed hereby as the dominant tenement and a burden on the land described in Exhibit "B" which is attached hereto and by this reference is incorporated in and made a part of this Deed as the servient tenement.
