## GRANT OF EASEMENT

Said real property is described as follows:

That certain parcel of land in Lots 152 and 222 of Block 51 of the Irvine Subdivision, as per map recorded in Book 1 of Miscellaneous Maps, page 88, records of said Orange County, which was conveyed to the Grantors herein by deed recorded July 10, 1950, in Book 2039 of Official Records, page 225, records of said Orange County.

All poles shall be erected and maintained within one foot of the following described line:

Beginning at a point in the Northeasterly line of said property of the Grantors, which point is approximately 65 feet Northwesterly, measured thereon from the center of said Mock 51; thence Southwesterly parallel with the Northwesterly line of said property of the Grantors 100 feet.

It is understood and agreed that the above line description is approximate only, it being the intention of the Grantor, by this conveyance, to grant an easement for said electric line in the location in which said electric line shall be constructed on and over the above described property.

The Grantee, its successors and assigns, and its and their agents and employees, must be because to said electric line and every part thereof, at all times, for the purpose of exercising the rights herein granted, and shall have the right to trim or top such trees as may endanger or interfere with said electric line.
